## Skinny Cocktails: The Solution to Your Resolution

Dec 23rd 2010 12:00PM / by Ashley Hesseltine

Let's just assume that weight loss and/or maintenance is on your list of new year's resolutions. But, you don't want to sacrifice your beloved calorie-laden happy hour cocktails in the name of those goals! These "skinny" drinks may just be the solution to your resolution.

**RA Sushi's Cucumber Slenderita:** This (literally) cool drink is RA's skinny version of a cucumber margarita. Made with TY KU Soju and liqueur, sugar-free triple sec, muddled cucumber, fresh lemon and lime juices, along with a splash of orange juice and soda, this refreshing drink feels healthy, too. The beverage is \$7, and is available for a limited time only.  
*1080 Peachtree St., Ste. 8; 404-267-0114.*

**RA Sushi's Cosmo-teeny:** Almost every girl loves a Cosmo, whether she wants to admit it or not. RA's Cosmo-teeny (\$7) pays homage to the drink "Sex and the City" made famous with no sugar added. Made with TY KU Soju, sugar-free triple sec, lime juice and a splash of cranberry juice, this expertly blended libation is a perfect low-cal alternative for those who enjoy a good fruity martini, guys included.

**Sinless Margarita:** You may be familiar with the Atlanta-based [Sinless Margarita](#), but did you know there was a strawberry variety now? Oh yes, and you can find it at Adobo Taqueria in Alpharetta, and soon in Atlanta bars, too. But, you can find the traditional low-cal, sugar-free margaritas right now at a number of bars, including [Tin Lizzy's](#), [Koo Koo Room](#), the bar at [St. Regis](#) and more.
